AMENDMENT AND RESPONSE TO OCTOBER 5, 2004 NOTICE TO COMPLY

This is submitted in response to the Notice to Comply issued on October 5, 2004 in connection with the above-identified application. The initial deadline for response to the October 5, 2004 Notice to Comply is December 5, 2004. A petition for a two month extension of time is being filed concurrently to extend this deadline to February 7, 2005, February 5, 2005 being a Saturday. Accordingly, this amendment and response is being timely submitted.

Applicants submit herewith the following: (1) a copy of the Notice and (2) an initial paper copy and initial computer readable form (CRF) copy of the sequence listing as requested in the Notice. This amendment and response includes, *infra*, the required statement that the CRF copy is identical to the paper copy of the sequence and that no new matter is introduced by entering the sequence listing into the application as well as the required amendment directing entry of the sequence listing into the application.

Please amend the above-identified application as follows:

Amendments to the Specification begin on page 2 of this paper.
